* All computer batteries are automatically replaced unless otherwise specified. We don't test batteries as there can be false readings

If you need a quote, please circle "QUOTE" and you will be charged a \$20 quote fee. If you approve the work, the \$20 comes off the price of the repair. If not, you are charged the Quote Fee.

Need more space? Use the back.....

- Front of Line Service is \$50 per item. A regulator set, is 1 item and normal turn-around is 2-3 weeks.
- If you send it, we do the work. If the work seems like it is going to cost too much, we will call you for your confirmation.

**Please send your Repair insured by a carrier that provides tracking info (UPS, FedEx, Etc.) Dive Right In Scuba is not responsible for lost packages. Do not send regulator bags or extras that are attached to the reg or BCD. We only want what we are working on. If you are sending in a Full Face Mask, please be sure to include the First Stage so it can all be properly tuned.

Sending us your repair gives us the right to fix it assuming no outrageous costs are involved, upon which you will be contacted.
