

## Dry Suit Repair Form

Please see our pricing at [www.diverightinscuba.com/services](http://www.diverightinscuba.com/services)

Dealers email for dealer pricelist and provide company name \_\_\_\_\_

### Dry Suit Info

Make - \_\_\_\_\_

Model - \_\_\_\_\_

Size - \_\_\_\_\_

Neck Size (measure around your neck)  
- if seal is being replaced

Wrist Size (measure around your wrist)  
- if seals are being replaced

Zipper (Plastic or Metal) - if replaced

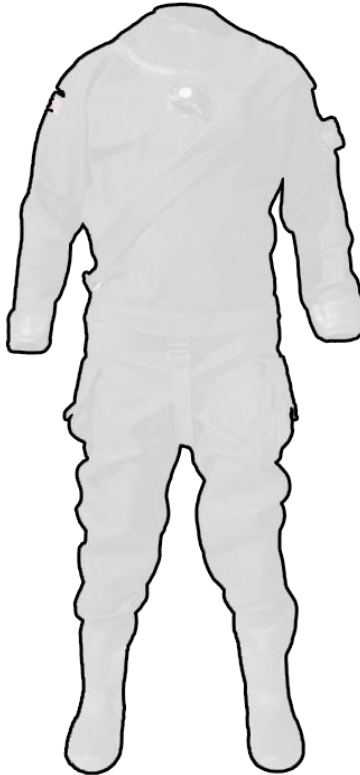

\*Your suit repair comes with a 2 year warranty on the work. This covers the labor, not product.

\*Suits do not automatically come with a FULL leak test. We test our work only, unless asked.

\*We will call you when your suit is repaired for payment if you do not provide details below. This can cause shipping delays as we will not start work before payment. We prefer payment info below.

### Leak Test (must circle one)

**Major (recommended)** - We check the whole suit for issues - Included in Annual Inspection.

**Free Minor** - Leak test on our work only. If we see an extra issue, we will automatically perform and charge you for a major leak test. We aren't looking for other issues though, just testing our work.

\*\*Please send your suit insured by a carrier that provides tracking info (UPS, FedEx, Etc.) Dive Right In Scuba is not responsible for suits that are lost to us in transit. Do not send drysuit bags or extras. We only want what we are working on (please send with all valves including p-valves, and seals). \$20 charge for installing Fusion Skins back onto suits. If the skin is sent with the suit, we will assume you want to pay \$20 and have it re-installed and will be billed appropriately.
